LANGLEY FINE ARTS BULLETIN – JUNE 8th EDITION

FROM THE OFFICE

We have a family looking for a home to rent for July 1, 2018. They are looking for a 4 or 5 bedroom home in the Langley, Cloverdale or Surrey area. If you know of a home, please contact Ms. Sharon Douglas (VP) at the school for more information (604-888-3113).

Lost and Found!

Our lost and found is overflowing!! Please feel free to sign in at the office and take a look through the lost and found for any missing items.

Calling in Student Absences/lateness

Families are reminded of the importance to *PHONE THE SCHOOL* if your child will be absent or late. Please do not email office staff as they may be out of the office.

CONGRATULATIONS!!!

To **David Rhodes**, Graduating Drama Major, for being selected in the 40th round draft pick to the Seattle Mariners

IN SCHOOL GROUPS AND ACTIVITIES

Board Game Club

The LFAS Board Game Club will meet this Wednesday 3:15 – 4:00 in Mr. Vandenberg's room. Students in grade 6-12 are invited to join.

FROM THE ATHLETIC DEPARTMENT

Attention grade 6 and 8 students wanting to go to the Middle School Track and Field Meet on Tuesday June 5, you need to get a permission form from Mr. McNeill or Mr. Vandenberg as soon as possible

LICE CHECKS

Lice has been reported in a few elementary classes. PLEASE tie back longer hair to help avoid the spread of lice. If you suspect your child may have lice, we can do a private lice check in the office.

Work experience is a program that prepares students for the transition from school to the workplace by integrating classroom preparation with practical experience. The community becomes the classroom to provide students with a view of the workplace and the importance of preparing for a career.

Students spend 90+ hours at the work placement and gain credit for Work Experience 12A after a joint evaluation by the employer and teacher. Teachers regularly visit students in the workplace to monitor their progress and to evaluate their performance.

Work Experience promotes a close partnership between students and adults who are willing to share their knowledge and to help students gain confidence in making the transition from school to work or to post-secondary education.

WHY GET INVOLVED?

Career Development is one of three goals of BC's education system and benefits employers, students, and the community. Work Experience allows students to discover a bridge between classroom learning and workplace realities. It enables schools to make possible practical experiences for students. Collaboration between schools and employers is necessary so that students have opportunities to gain the knowledge and the experience to help make educational and career decisions.

We partner with a wide variety of organizations who provide training opportunities for Work Experience.

You, too, can help students appreciate the importance of acquiring employment skills and positive attitudes towards future careers.

HOW TO PARTICIPATE?

Preparation, Selection and Monitoring of WEX Students

We are eager to offer our students opportunities to extend their education beyond the classroom and into the community. If you are interested in partnering with us, contact the school district or your local secondary school. The Work Experience teacher will contact you to explain the program in greater detail and assess the potential for student participation at your work site. If a student is available, an interview will be arranged. Although the teacher makes the initial selection of students, the final decision will rest with you, upon completion of the student interview.

Supervision

You will assign each work experience student a supervising employee. This supervisor is responsible for the student's on-the-job training. The type of work the student is expected to complete will be determined collaboratively between the WEX teacher and the supervisor. The student will be regularly monitored at your business by the work experience teacher from his/her school.

How are Students Prepared?

Prior to being placed on the job site, students complete an orientation in Workplace Health and Safety. Further preparation includes topics such as How to Secure and Maintain Work, Workplace Application, and Education and Career Planning.

WHICH STUDENTS ARE INVOLVED?

Grade 12 students who are enrolled in a program leading to graduation are eligible to participate in Work Experience. Students select a Work Experience course to explore career possibilities. Some may plan to join the workforce in the near future; others may intend to enroll in a community college or university.

WHERE CAN STUDENTS WORK?

Almost any type of business or community organization can provide work experience for students in the program.

Langley School District is committed to designing work experience opportunities for students in a wide variety of career focus areas.

Contact us to see if your business could become a partner in education.

EMPLOYERS' BENEFITS

CELEBRATING 10 YEARS

SCIENCE ROCKS!

SUMMER CAMPS

EARLY BIRD SPECIAL! Register by April 30 and save!

July & August 2018

Send your kid to university this summer! Designed especially for Grades 4, 5, and 6 (campers going into Grade 4 or 7 are eligible), UFV's Science Rocks! camps are fun and an awesome learning opportunity for your kids.

Each camp week is different! Kids get to learn something new, see real science labs, play outside, and experiment with fun activities that explore physics, biology, chemistry, mathematics, and computer science. Many of the weeks will also include geography and kinesiology activities.

CAMP 1 (Abbotsford)*
Partially supported by a grant from the Canadian Mathematical Society
JULY 3–6: Patterns, Puzzles, & Pedigrees!
Each day, one or two of the activities will focus on math, mystery, and genetics!

CAMP 2 (Abbotsford)
JULY 9–13: Light 'em Up!
Each day, one or two of the activities will focus on things that glow, interesting behaviours of fire and light, or even safe explosions!

CAMP 3 (Abbotsford)
JULY 16–20: Turbo Power!
Each day will include one or two activities based on the theme of speed and flight!

CAMP 4 (Abbotsford)
JULY 23–27: Amazing Activities!
For this week, we plan to offer our most popular activities from all Science Rocks!

CAMP 5 (Chilliwack)
JULY 30–AUGUST 3: Amazing Activities!
For this week, we plan to offer our most popular activities from all Science Rocks!

CAMP 6 (Chilliwack)*
AUGUST 7–10: Sense-sational Science!
Each day will include one or two activities focusing on the five senses: things to see, hear, touch, smell, and taste!

ABOUT THE CAMPS:

Time: Each camp runs from 9 am–4 pm and includes lunch every day. Drop-off is between 8:30–9 am and pick-up between 4–4:30 pm.

Location: We are indoors or outside depending on the weather and the activity.

Student/leader ratio: We have a limit of 24 campers/week, with a camper to instructor ratio of 8:1. In addition to the leader-facilitators, one or more UFV science faculty members will be on site at all times.

Cost** (lunch & camp t-shirt included!)

$275 per camp ($325 international)

Visit us online at ufv.ca/science-rocks to find out how you can save!

** Short week, price discounted by 20%*

Langley Children's Chorus is looking for singers!

Openings are now available for grades 4 to 8 in September.

What are we looking for?

- School choir members (if your school has one)
- Good attitude and enthusiasm!
- Advanced vocal skills, and focus
- A firm commitment to the group
- Desire to develop as a singer and choir member

What do I get out of this?

- Make new friends who like to sing, too
- Learn about how to sing better and learn lots of music
- Perform at other schools (a day off!)
- Have fun on a choir tour in the spring
- Sing at festivals and hear other great choirs

Rehearsals? Langley Secondary School, Tuesdays, Sept – April from 4:15 – 6 pm

Fees? $275 per year, with a reduced rate for additional children in the same family

How Do I Join? Contact us for an audition time before **June 10, 2018**

Please include your name, phone number, school and grade. A deposit of $25 will be taken at the audition.
